Hi, I am new to FCC and CCP5, I just followed the CCP5 tutorial found here: I am a complete newbie in this field and this tutorial is one of the best that I have seen so far in this field.6 Easy Action Plan Ideas for Lead Generation Everyone knows the story of the guy who stole the elephant when he accidentally saw it on a Facebook Live post, then built a massive website, and then, through a series of subtle and not-so-subtle nudges, convinced that small town to build their first elephant sanctuary. It doesn't have to be that way. The power of lead generation doesn't have to be something just for big businesses. You can leverage the power of lead generation to get more customers and generate more revenue for your small business. 6 Easy Action Plan Ideas for Lead Generation 1. Let people know that you exist No one is saying that you can't go out and find customers and bring them to your business. But chances are, you aren't going to get the customers you need just by showing up every day and hoping to jumpstart the conversion. A business person should never have to build a business from scratch. Instead, you can leverage the power of lead generation to get the leads you need. Don't just let your website sit there like a neglected puppy with a box tied to its back. Put some effort in and make sure that the forms on your website lead to something. Once you get a lead, then you can go out and get the business. Now, don't use some online contact form at the end of the page. This is a lazy way to engage with your audience. Instead, go beyond what is required and let the contact form lead somewhere else. For example, the contact form could allow people to subscribe
