FIFA is more than just a game. From its global competitions, including the FIFA World Cup™, to its award-winning monthly LIVE MATCHDAY, FIFA is a sport + entertainment goldmine, a place to play and share your passion. For our UK audience - for this weekend only, FIFA on £50 now & 60% off FIFA Ultimate Team Packs! Konami Digital Entertainment Europe has teamed up with FIFA's biggest event, the UEFA EURO 2016 to mark the official release of Konami's FIFA 22 for PlayStation 4 and Xbox One and has revealed a new FIFA eSports Tour. As part of the celebrations, Konami is giving every player who owns FIFA 22 on all platforms an exclusive UEFA EURO 2016 t-shirt. FIFA 18 champions Lukas Podolski, Andres Iniesta, Paul Pogba, Thomas Muller, World Cup winner Cristiano Ronaldo and UEFA Champions League winners Lionel Messi are among the football legends who have participated in the FIFA 18 e-Sports Tour since its launch in April. The FIFA 18 e-Sports Tour continues this weekend with over 13,000 fans from over 50 countries set to unite to take part in a live 5v5 PvP (Player vs Player) battle. The FIFA 18 e-Sports Tour will also be live-streamed via Konami's Twitch and YouTube channels from 2pm-10pm CEST (1pm-9am PST). How the FIFA e-Sports Tour Works On day one, you will be able to challenge up to 10 other players to a live 5v5 knockout tournament using FIFA 22. All matches will be streamed via Konami's Twitch and YouTube channels. 5v5 live matches will be displayed in a grid-style format with 12 players on one side and one referee and one computer-controlled player on the other. Day one of the FIFA e-Sports Tour will start at 2pm CEST (1pm PST). This will give fans the chance to watch the highly anticipated FIFA 22 PvP battle unfold live. From there, the tournament will move on to the FIFA e-Sports Tour Grand Finals at 5pm CEST (2pm PST) which will see the seven highest placed finishers from day one competing in a live final. Fans from around the world will be able to follow the journey of each player during each round as they aim to climb the tournament ladder. The top three finishers in each round will be rewarded with exclusive FIFA e- bc9d6d6daa

There are index.html, sitemap.xml and 1.html files. The problem is that, for some reason, Google is going to index 1.html instead of sitemap.xml when doing the sitemap.index() for SEO purposes. What I've found out so far is that if I visit 1.html at the root url of my site (it gives me a 404. If
